## Stock (Chemical Residues) Amendment (Prescribed Officers) Regulation 2001

under the

Stock (Chemical Residues) Act 1975

His Excellency the Lieutenant-Governor, with the advice of the Executive Council, has made the following Regulation under the *Stock (Chemical Residues) Act 1975*.

RICHARD AMERY, M.P.,  
Minister for Agriculture

### Explanatory note

The powers to issue, vary and revoke notices for the detention of chemically affected stock, which are conferred on the Minister under section 8 of the *Stock (Chemical Residues) Act 1975*, were previously conferred under that section on both the Minister and prescribed officers. Accordingly, it was necessary for regulations made under that Act to prescribe certain officers for the purposes of section 8. This was done by clause 4 of the *Stock (Chemical Residues) Regulation 1995*. The persons prescribed by that clause were also “prescribed officers” for the purposes of other provisions of the Regulation.

Section 8 no longer refers to any prescribed officer. Accordingly, this Regulation amends the *Stock (Chemical Residues) Regulation 1995* so as to:

- (a) repeal clause 4 (and make a consequential amendment), and
- (b) replace references to prescribed officers in other provisions of the Regulation with references to certain officers of the Department of Agriculture.

Stock (Chemical Residues) Amendment (Prescribed Officers) Regulation 2001

Explanatory note

---

This Regulation also prescribes inspectors (that is, inspectors who are appointed under the *Stock Diseases Act 1923*) who are not officers of the Department of Agriculture as additional persons to whom the Minister may, under section 13A of the *Stock (Chemical Residues) Act 1975*, delegate certain of the Minister's powers, authorities, duties and functions under that Act. (Officers of the Department of Agriculture are already prescribed for the purposes of section 13A.)

This Regulation is made under the *Stock (Chemical Residues) Act 1975*, and, in particular, under sections 10 (Power to seize stock), 13A (Delegation of functions) and 16 (the general regulation-making power).

**[3] Clause 5 Disposal of seized stock: section 10**

Omit “a prescribed officer” from clause 5 (3) (a).

Insert instead “by the Director-General, the Chief, Division of Animal Industries or the Program Manager, Quality Assurance”.

**[4] Clause 5 (3) (b)**

Omit “prescribed officer”.

Insert instead “to the Director-General, the Chief, Division of Animal Industries or the Program Manager, Quality Assurance”.

**[5] Clause 5D**

Insert after clause 5C:

**5D Prescribed persons: section 13A**

The class of persons who are inspectors (not being officers of the Department of Agriculture) are prescribed for the purposes of section 13A (2) (b) of the Act.

# Threatened Species Conservation Act 1995 No 101

### Notice of Final Determination and Amendment of Schedule 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plant in Schedule 2 to that Act (Vulnerable species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

#### Plants

Scrophulariaceae

*Euphrasia ciliolata* W.R. Barker

The final determination to insert this species in Schedule 2 has been made because the Scientific Committee is of the opinion that the species is likely to become endangered unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The National Parks Centre  
102 George St

## Notice of Final Determination and Amendment of Schedule 1 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plant in Part 1 of Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

### Plants

Proteaceae

*Eidothea* sp. "Nightcap Range" (P.H. Weston 2469)

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The National Parks Centre

Where such a direction has been given the former lessee shall leave the land in a clean and tidy condition free from rubbish and debris.
- (18) The lessee shall not obstruct or interfere with any reserves, roads or tracks on the land leased, or the lawful use thereof by any person.
- (19) The lessee shall erect gates on roads within the land leased when and where directed by the Commissioner for public use and shall maintain those gates together with approaches thereto in good order to the satisfaction of the Commissioner.
- (20) The right is reserved to the public of free access to, and passage along, the bank of any watercourse adjoining the land leased and the lessee shall not obstruct access or passage by any member of the public to or along the bank.
- (21) Any part of a reserve for travelling stock, camping or water supply within the land leased shall, during the whole currency of the lease, be open to the use of bona fide travellers, travelling stock, teamsters and carriers without interference or annoyance by the lessee and the lessee shall post in a conspicuous place on the reserve a notice board indicating for public information the purpose of such reserve and, in fencing the land leased, the lessee shall provide gates and other facilities for the entrance and exit of travelling stock, teamsters and others. The notice board, gates and facilities shall be erected and maintained to the satisfaction of the Commissioner. The lessee shall not overstock, wholly or in part, the areas leased within the reserve, the decision as to overstocking resting with the Commissioner.
- (22) The Crown shall not be responsible to the lessee or the lessee's successors in title for provision of access to the land leased.
- (23) The lessee shall comply with requirements of section 18DB of the Western Lands Act 1901 which provides that, except in the circumstances referred to in subsection (4) of that section, any native vegetation on the land the subject of the lease, and any part of the land that is protected land, must not be cleared except in accordance with the Native Vegetation Conservation Act 1997.
- (24) The lessee shall comply with requirements of section 18DA of the Western Lands Act 1901 which provides that except in circumstances referred to in subsection (3) of that section, cultivation of the land leased or occupied may not be carried out unless the written consent of the Department has first been obtained and any condition to which the consent is subject under sub section (6) is complied with.
- (25) Notwithstanding any other condition annexed to the lease, the lessee shall, in removing timber for the purpose of building, fencing or firewood, carefully preserve all timber, scrub, vegetative cover and any regeneration thereof (except noxious plants and those "woody weeds" specified in Clause 28(1) and parts 9 and 13 in Schedule 4 of the Regulations) on the following parts of the land leased:
- between the banks of, and within strips at least 20 metres wide along each bank of, any creek or defined watercourse;
  - within strips at least 30 metres wide on each side of the centre line of any depression, the sides of which have slopes in excess of 1 (vertically) in 4 (horizontally), that is, approximately 14 degrees;
  - where the slopes are steeper than 1 (vertically) in 3 (horizontally), that is, approximately 18 degrees;
  - within strips not less than 60 metres wide along the tops of any ranges and main ridges;
  - not in contravention of section 21CA of the Soil Conservation Act 1938.
- In addition to the foregoing requirements of this condition, the lessee shall preserve on so much of the land leased as is not the subject of a clearing licence (where possible, in well distributed clumps or strips) not less than an average of 30 established trees per hectare, together with any other timber, vegetative cover or any regeneration thereof which may, from time to time, be determined by the Commissioner to be useful or necessary for soil conservation or erosion mitigation purposes or for shade and shelter.
- (26) The lessee shall not interfere with the timber on any of the land leased which is within a State forest, timber reserve or flora reserve unless authorisation has been obtained under the provisions of the Forestry Act 1916 and shall not prevent any person or persons duly authorised in that behalf from taking timber on the land leased. The lessee shall not have any property right in the timber on the land leased and shall not ringbark, kill, destroy or permit the killing or destruction of any timber unless authorised under the Forestry Act 1916 or unless a clearing licence has been issued pursuant to section 18DB of the Western Lands Act 1901, but the lessee may take such timber as the lessee may reasonably require for use on the land leased, or on any contiguous land held in the same interest, for building, fencing or firewood.
- (27) The lessee shall take all necessary steps to protect the land leased from bush fire.
- (28) The lessee shall, as the Commissioner may from time to time direct, foster and cultivate on the land leased such edible shrubs and plants as the Commissioner may consider can be advantageously and successfully cultivated.
- (29) Whenever so directed by the Commissioner, the lessee shall, on such part or parts of the land leased as shall be specified in the direction, carry out agricultural practices, or refrain from agricultural practices, of such types and for such periods as the Commissioner may in the direction specify.

- (30) The lessee shall not overstock, or permit or allow to be overstocked, the land leased and the decision of the Commissioner as to what constitutes overstocking shall be final and the lessee shall comply with any directions of the Commissioner to prevent or discontinue overstocking.
- (31) The lessee shall, if the Commissioner so directs, prevent the use by stock of any part of the land leased for such periods as the Commissioner considers necessary to permit of the natural reseeding and regeneration of vegetation and, for that purpose, the lessee shall erect within the time appointed by the Commissioner such fencing as the Commissioner may consider necessary.
- (32) The lessee shall furnish such returns and statements as the Commissioner may from time to time require on any matter connected with the land leased or any other land (whether within or outside the Western Division) in which the lessee has an interest.
- (33) The lessee shall, within such time as may be specified by the Commissioner take such steps and measures as the Commissioner shall direct to destroy vermin and such animals and weeds as may, under any Act, from time to time be declared (by declaration covering the land leased) noxious in the Gazette and shall keep the land free of such vermin and noxious animals and weeds during the currency of the lease to the satisfaction of the Commissioner.
- (34) The lessee shall not remove or permit any person to remove gravel, stone, clay, shells or other material for the purpose of sale from the land leased unless the lessee or the person is the holder of a quarry licence under regulations made under the Crown Lands Act 1989 or, in respect of land in a State forest, unless the lessee or the person is the holder of a forest materials licence under the Forestry Act 1916, and has obtained the special authority of the Minister to operate on the land, but the lessee may, with the approval of the Commissioner, take from the land such gravel, stone, clay, shells or other material for building and other purposes upon the land as may be required by the lessee.
- (35) The lessee shall comply with the provisions of the Clean Waters Act 1970 particularly in relation to disposal of tailwaters or waters which may be contaminated with fertiliser, herbicide or pesticide or similar chemicals.
5. No garbage or poisonous, toxic or hazardous substance arising from the use of the subject land for recreational hunting shall be stored or disposed of on the subject land.
6. No clearing of the subject land shall be undertaken for the purpose of recreational hunting.
7. (a) The lessee shall not use the subject land for recreational hunting on more than 100 days in any one calendar year.
- (b) The lessee shall when using the subject land for recreational hunting:
- (i) ensure that all persons entering upon the land for recreational hunting are licenced to carry firearms under the Firearms Act 1996
- (ii) take all reasonable precautions to ensure that hunting is undertaken in a safe manner and that ethical firearm practices are observed when shooting near boundaries
- (iii) ensure that all persons entering upon the land for recreational hunting are provided with a map of the property clearly defining the lease/property boundaries
- (iv) place at the perimeter of the subject land appropriate warning signs stating that the subject land is being used for recreational hunting
- (v) ensure that only feral animals are hunted except where persons are otherwise licensed to take or kill fauna under the National Parks and Wildlife Act 1976
- (vi) ensure that adequate provision is made for the removal and disposal of animal carcasses.
8. (a) Before using the subject land for recreational hunting (or granting any licence for that purpose) and tourism the lessee shall take steps in the manner provided for in paragraph (c) to identify any Aboriginal sites or relics located on the subject land.
- (b) Where the existence and location of any aboriginal site or relic is identified as a result of action taken under this condition or the existence or location of such a site or relic is otherwise within the knowledge of the lessee, the lessee shall ensure by taking such precautions as may be necessary that the site or relic is not interfered with, damaged, destroyed or defaced.
- (c) The lessee shall consult with the local aboriginal land council with a view to identifying and locating any aboriginal site or relics on the subject land.
- (d) The lessee shall be familiar (and any licensee in relation with recreational hunting) with the provisions of the National Parks and Wildlife Act 1974 relating to the protection of interference with or the damaging or destruction of aboriginal sites or relics.
9. The lessee shall not use any vehicle for the purpose of "recreational hunting" and "tourism" (and shall take all reasonable steps to prevent any other person from using any vehicle for the purpose of "recreational hunting" and "tourism") on any part of the lease

#### SPECIAL CONDITIONS

1. The lessee shall permit the holder of Western Lands Lease 6029 to retain grazing rights in respect of the land leased. All grazing rights and activities shall comply with the provisions of the Western Lands Act, 1901

### CHARITABLE TRUSTS ACT 1993

#### Order Under Section 12

Cy-pres Scheme Relating to the Estate of the Late Thomas Moore.

A REQUEST was received on behalf of the Trustees of the Estate of Thomas Moore that the Attorney General settle an appropriate form of cy-pres scheme so as to administer the gift of the residuary estate of Thomas Moore, who died in 1840.

The original bequest in the Will of Thomas Moore (dated 6 February 1839) stated that the residue should be divided into four equal shares and 'as to one other equal fourth part', applied by the Trustees 'in the augmentation of the salaries of such one or more Clergyman or Clergymen of the United Church of England and Ireland officiating in the said Colony as shall be recommended from time to time by the Bishop of the Diocese...' There have been a number of practical impediments to compliance with this bequest.

The Trust has proposed that the quarter share of the income from residue which is required to be applied to augment the salaries of the clergymen in the various Anglican Dioceses of New South Wales be applied in shares

to the Bishops of the Dioceses of New South Wales to be held on trust for the benefit of clergy licensed by the Bishop at the absolute discretion of the Bishop of each of the Dioceses.

I have formed the view that the gift to augment the salaries of such one or more Clergyman or Clergymen of the United Church of England and Ireland officiating in the said Colony as shall be recommended from time to time by the Bishop of the Diocese is a gift for charitable purposes, and I have approved a recommendation that the Attorney General establish a cy-pres scheme pursuant to section 12(1)(a) of the *Charitable Trusts Act* 1993 to give effect to a gift to be applied to the Bishops of the Dioceses of New South Wales, to be held on trust for the benefit of clergy licensed by the relevant Bishop, at the absolute discretion of the Bishop of each of the Dioceses.

Therefore, pursuant to section 12 of the *Charitable Trusts Act*, I hereby order that the original bequest in the Will of Thomas Moore be amended cy-pres to give effect to a gift to the Bishops of the Dioceses of New South Wales, to be held on trust for the benefit of clergy licensed by the Bishop, such order to take effect 21 days after its publication in the *Government Gazette*, in accordance with section 16(2) of the *Charitable Trusts Act*.

Date of Order: 14 January 2002.

M. G. SEXTON, SC,  
Solicitor General

Under delegation from the Attorney General

### DISTRICT COURT OF NEW SOUTH WALES Practice Note No. 60

#### Application For Rehearing Of Action Determined By An Arbitrator

Part 51A rule 11 (3) of the District Court Rules provides that before the record of an action is brought before the Court for a rehearing of an action, the registrar shall seal within the record all information as to the nature and quantum of the determination or award of the arbitrator by whom the action was determined.

To further assist the Court at the rehearing of the action, registrars are directed to seal within the record also the application for rehearing filed by an aggrieved party under section 18 of the Arbitration (Civil Actions) Act 1983 before the record is brought before the Court.

When setting down a matter for the rehearing of an action, registrars should ensure that the record is noted as to whether the rehearing is to be a full rehearing of the action or a rehearing limited to particular issues.

#### NSW SCIENTIFIC COMMITTEE

##### Notice of Preliminary Determinations

THE Scientific Committee, established by the Threatened  
Species Conservation Act, has made Preliminary  
Determinations to support proposals to list the following in  
the relevant Schedules of the Act.

##### **Endangered Population** (Part 2 of Schedule 1)

*Eucalyptus seeana* Maiden in the Greater Taree Local  
Government Area

The Committee is of the opinion that this population is  
eligible to be listed as an endangered population because  
its habitat has been so drastically reduced, that it is in  
immediate danger of extinction and that it is not a population  
of a species already listed in Schedule 1, and it is disjunct  
and at or near the limit of its geographic range.

##### **Vulnerable Species** (Schedule 2)

*Hygrocybe aurantipes* A.M. Young, an agaric fungus  
*Hygrocybe reesia* A.M. Young, an agaric fungus

The Committee is of the opinion that these species are  
likely to become endangered unless the circumstances and  
factors threatening their survival or evolutionary  
development cease to operate.

Any person may make a written submission regarding  
these Preliminary Determinations, which should be  
forwarded to:

### NSW SCIENTIFIC COMMITTEE

#### Notice of Final Determination

THE Scientific Committee established by the Threatened Species Conservation Act, has made a Final Determination to reject a proposal to list the Emu, *Dromaius novaehollandiae*, population in the NSW North Coast Bioregion as an ENDANGERED POPULATION on Part 2 of Schedule 1 of the Act.

The Scientific Committee has found that the population also occurs in the Port Stephens Local Government Area which partially falls outside this Bioregion.

Copies of the Determination may be inspected at the National Parks Centre 102 George Street, The Rocks, Sydney and at all NPWS Area Offices/Visitors Centres during business hours.

#### Notice of Preliminary Determination

THE Scientific Committee, established by the Threatened Species Conservation Act, has made a Preliminary Determination to support a proposal to list the Emu, *Dromaius novaehollandiae*, population in the NSW North Coast Bioregion and Port Stephens Local Government Area as an ENDANGERED POPULATION on Part 2 of Schedule 1 of the Act.

The Committee is of the opinion that this population is eligible to be listed as an endangered population because its habitat has been so drastically reduced that it is in immediate danger of extinction and it is not a population of a species already listed in Schedule 1, and it is disjunct and at or near the limit of its geographic range and is otherwise of significant conservation value.

Copies of the Determination may be inspected at the National Parks Centre 102 George Street, The Rocks, Sydney and at all NPWS Area Offices/Visitors Centres during business hours.

Any person may make a written submission, which should be forwarded to:
