Schedule

Order Declaring the Rally Area under the Motor Sports (World Rally Championship) Act 2009

Explanatory Notes:

Liaison refers to the public roads and sections of public roads used for travel between the special stages, service points and parc fermé (i.e. the secure area where all competing rally cars are held between one day's finish and the next day's start). Drivers must obey all traffic regulations on liaison sections.

LGA means Local Government Area.

Shakedown refers to the closed roads and closed sections of roads where cars are tested before the competition starts. Each competitor is required to drive through the Shakedown stage at least three times.

Special Stage (SS) refers to the closed roads and closed sections of roads that make up the competition sections of the rally course.

WRC Testing refers to the closed roads and closed sections of roads where, subject to the approval of rally organisers, drivers/teams are permitted to test during a specified period in the lead up to the Championship round.
