CHARITABLE TRUSTS ACT 1993

ORDER UNDER SECTION 12

CY PRES SCHEME RELATING TO THE ESTATE OF THE LATE JOHN WHITTAKER COLE

Section 9(1) of the *Charitable Trusts Act 1993* permits the application of property cy pres where the spirit of the original trust can no longer be implemented.

Under clause 3(t)(v) of the Will of the late John Whittaker Cole, which was executed on 6 December 2004, Mr Cole bequeathed the residue of his estate, in equal shares, to five named charities all located in New South Wales. One of those charities, the 'Children's Leukaemia and Cancer Society Inc (New South Wales)' ('the Society'), does not exist, nor did it exist at the time Mr Cole executed his Will. The bequest has an estimated value of \$142,000.00.

The bequest to the Society is considered to have created a charitable trust, as it is for the relief of the impotent and the advancement of education. A gift to an institution that has never existed but which manifests a general charitable intention may be applied cy pres.

The Children's Leukaemia and Cancer Foundation (ACN 074 617 271/ABN 68 074 617 271) ('the Foundation') was registered as a non-profit company in New South Wales between 1997 and 2009. It is possible that the Foundation was the intended recipient of the gift in cl. 3(t)(v) of the Will. Although the Foundation had ceased to exist as at the date of the testator's death, it was affiliated with a registered charitable organisation in New South Wales, the Children's Cancer Institute Australia (ACN 072 279 559/ABN 41 072 279 559) ('the Institute').

The Institute carries on the work of the Foundation, with its main objectives being to raise funds to establish a research centre at the Prince of Wales Children's Hospital and to provide grants to support other research projects throughout Australia. The Institute appears to be devoted to research into the causes, better treatments, prevention and cure of childhood cancer, with the four main types of cancer researched being leukaemia, brain cancer, neuroblastoma and sarcoma. The Institute is one of the only organisations based in New South Wales with a focus on researching children's cancer including leukaemia.

The executor of the estate has no objection to a cy pres scheme applying the funds to the Children's Cancer Institute Australia.

This is an appropriate matter in which the Attorney General should approve a cy pres scheme under section 12(1)(a) of the *Charitable Trusts Act 1993*.

I have previously approved a recommendation that the Attorney General establish a cy pres scheme which would permit these charitable funds to be applied in a manner as close as possible to the original purposes of the trust.

Pursuant to section 12 of the *Charitable Trusts Act 1993*, I hereby order that the bequest by the Estate of the late Mr John Whittaker Cole to the Society is to be applied to the Children's Cancer Institute Australia.

The order will take effect 21 days after its publication in the Government Gazette, in accordance with section 16(2) of the *Charitable Trusts Act 1993*.

Date of Order: 11 April 2019

PENRITH CITY COUNCIL

Public Notice

Proposed 3-Tonne Load Limit on Water Street and Gipps Street, Werrington

Council is proposing to implement of a 3-Tonne Load Limit in Water Street and Gipps Street, Werrington.

The imposition of a load limit, unlike a physical closure, will not affect businesses since the load limit does not apply to heavy vehicles which have a destination point on that street. The load limit would however force large vehicles, which do not have a destination in Water Street/Gipps Street back onto the State Road (Great Western Highway) and arterial network (Werrington Road).

You are invited to submit any comments you may have about this proposed 3-Tonne Load Limit to Council no later than Monday, 22 April 2019. Comments must be made in writing and emailed to council@penrith.city or mailed to Council's Traffic Section, Penrith City Council, PO Box 60, Penrith NSW 2751.

If you would like more information, please do not hesitate to contact Council's Traffic Section on (02) 4732 7735.
