PREAMBLE

Occupational Association

- A Association of Consulting Surveyors National Limited (**CSN**) is a voluntary occupational association for Consulting Surveyors in Australia.
- B The occupational group for the purposes of this Scheme, represented by CSN, consists of Consulting Surveyors with a principal place of practice in Australia.

Nature of Scheme

- C CSN has made an application to the Professional Standards Council (**Council**), appointed under the *Professional Standards Act 1994 (NSW)* (the **Act**), for approval of a scheme under the Act and this document comprises the scheme (**Scheme**).
- D The Scheme is intended to operate under the Act, which has the purpose of improving occupational standards of professional persons and to protect consumers of their services.
- E The Scheme has been prepared by CSN for the purposes of limiting occupational liability of Participating Members to the extent to which such liability may be limited under the Act.
- F The Scheme does not affect Damages which are below the Monetary Ceiling applying in respect of a Participating Member. The Scheme limits liability for Damages to the Monetary Ceiling applying in respect of a Participating Member only if the Participating Member has insurance as required under section 21 of the Act.
- G The Scheme is to apply to all Participating Members.
- H Responsibility for the administration of the Scheme and ensuring that it complies with the requirements of the Act and of the Council rests with CSN.

Risk Management

- I CSN has furnished the Council with a detailed list of the risk management strategies intended to be implemented in respect of its Participating Members and an outline of how these strategies are intended to be implemented.
- J CSN will report annually to the Council on the implementation and monitoring of its risk management strategies, the effect of those strategies and any changes made to them.

Jurisdiction

K The Scheme is intended to apply in all jurisdictions within Australia.

2. Jurisdiction

- 2.1 The Scheme applies in New South Wales in accordance with the Act.
- 2.2 In addition to New South Wales, the Scheme is intended to operate in ACT, Northern Territory, Queensland, South Australia, Victoria, Western Australia and Tasmania in accordance with the professional standards legislation of those states and territories and subject to the requirements of that legislation (each a **Corresponding Law**), so that references to a provision of the Act, the application of the Scheme to a liability, the limit of a liability under the Act or what constitutes Occupational Liability, are intended to pick up the relevant provisions of the Corresponding Laws, applied mutatis mutandis, to the extent that is necessary for the application of the Scheme in any of those jurisdictions as an interstate scheme.

3. Persons to whom the Scheme applies

- 3.1 The Scheme applies to:
 - (a) all Individual Members and Corporate Members of CSN who are not exempted under clause 3.2 of the Scheme; and
 - (b) all persons to whom the scheme applies pursuant to sections 18, 19, 20 or 20A of the Act.
- 3.2 A person referred to in clause 3.1(a) may, on application, be exempted from participation in the Scheme by CSN with effect from the date specified by CSN.

² Section 5(1) of the Act provides that the Act does not apply to liability for Damages arising from the death of or personal injury to a person; a breach of trust, or fraud or dishonesty. Section 5(2) of the Act also provides that the Act does not apply to liability which may be the subject of proceedings under Part 14 of the *Real Property Act 1900*.

This clause 3.2 does not apply to persons to whom the Scheme applies pursuant to sections 18, 19, or 20 of the Act.

- 3.3 The Scheme also applies to all persons to whom the Scheme applied under clause 3.1 at the Relevant Time, whether or not the Scheme would otherwise still apply to those persons.
- 3.4 CSN may, upon application by a person who has been exempted from the Scheme under clause 3.2, revoke an exemption of that person from participation in the Scheme with effect from the date specified by CSN.

4. Limitation of liability

- 4.1 The Scheme limits the Occupational Liability of a Participating Member for Damages³:
 - (a) arising from a single cause of action founded on an act or omission by a Participating Member acting in the performance of providing services of a Consulting Surveyor; and
 - (b) to the extent those Damages exceed the Monetary Ceiling applying in respect of the Participating Member at the Relevant Time.
- 4.2 If a proceeding relating to Occupational Liability is brought against a Participating Member, the Participating Member is not liable for Damages in relation to that cause of action above the amount of the Monetary Ceiling applying in respect of the Participating Member if the Participating Member can satisfy a Court that:
 - (a) the Participating Member has the benefit of a PI Insurance Policy; and
 - (b) the amount payable under the PI Insurance Policy in relation to the Occupational Liability⁴ is at least the amount of the Monetary Ceiling applying in respect of the Participating Member.
- 4.3 For the purposes of section 26 of the Act, the Scheme only affects a liability for Damages arising from a single cause of action to the extent to which the liability results in Damages exceeding the Monetary Ceiling applying in respect of the Participating Member, as determined by the Council and set out in clause 4.4.
- 4.4 The monetary ceiling applicable for the purposes of limitation of liability under the Scheme at the Relevant Time is to be determined according to the following table:

Class	Description	Monetary ceiling (Maximum amount of liability)

³ Damages as defined in section 4 of the Act means:

- (a) damages awarded in respect of a claim or counter-claim or by way of set-off; and
- (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); and
- (c) any interest payable on the amount of those damages or costs.

⁴ Section 4(1A) of the Act provides that a reference in the Act “to an amount payable under an insurance policy in respect of an occupational liability includes a reference to –

- (a) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for the time spent in relation to the claim), but only if those costs are payable out of the one sum insured under the policy in respect of the occupational liability; and
- (b) the amount payable under or in relation to the policy by way of excess.”

However, see also section 26A of the Act and its note, which has the effect that section 4(1A) does not reduce the cap on the liability of the Participating Member to the client.

1	<p>A Participating Member who is at the Relevant Time an Individual Member who is a principal, partner, officer or employee of a Consulting Surveying Practice that generated Annual Fee Income for the Financial Year immediately preceding the Relevant Time of up to and including \$2 million.</p> <p>A Participating Member which is at the Relevant Time a Corporate Member that generated Annual Fee Income for the Financial Year immediately preceding the Relevant Time of up to and including \$2 million.</p>	\$2 million
2	<p>A Participating Member who is at the Relevant Time an Individual Member who is a principal, partner, officer or employee of a Consulting Surveying Practice that generated Annual Fee Income for the Financial Year immediately preceding the Relevant Time of greater than \$2 million and up to and including \$5 million.</p> <p>A Participating Member which is at the Relevant Time a Corporate Member that generated Annual Fee Income for the Financial Year immediately preceding the Relevant Time of greater than \$2 million and up to and including \$5 million.</p>	\$5 million
3	<p>A Participating Member who is at the Relevant Time an Individual Member who is a principal, partner, officer or employee of a Consulting Surveying Practice that generated Annual Fee Income for the Financial Year immediately preceding the Relevant Time of greater than \$5 million.</p> <p>A Participating Member which is at the Relevant Time a Corporate Member that generated Annual Fee Income for the Financial Year immediately preceding the Relevant Time of greater than \$5 million.</p>	\$10 million

- 4.5 Notwithstanding anything to the contrary contained in this Scheme if, in particular circumstances giving rise to Occupational Liability, the liability of any person who is subject to this Scheme is capped both by this Scheme and also by any other scheme under professional standards legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and, if the amount of such

caps should differ, then the cap on the liability of such person arising from such circumstances which is higher will be the applicable cap.

5. Conferral of discretionary authority

- 5.1 CSN has discretionary authority, on application by a Participating Member, to specify in relation to the Participating Member, a higher maximum amount of liability than would otherwise apply under the Scheme in relation to the Participating Member, either in all cases or in any specified case or class of case.
- 5.2 Before specifying a higher maximum amount of liability in respect of a Participating Member under clause 5.1, CSN must satisfy itself that there is evidence of top-up professional indemnity insurance commensurate with the higher Monetary Ceiling sought.
- 5.3 If, in the exercise of its discretion under clause 5.1 CSN has specified a higher maximum amount of liability than would otherwise apply under the Scheme in respect of a Participating Member, the Monetary Ceiling applying in respect of that Participating Member is that higher maximum amount.

6. Duration

- 6.1 The date of the Scheme's commencement in New South Wales, Victoria, Queensland, Western Australia, Tasmania, and the Northern Territory is 1 July 2020.
- 6.2 In the Australian Capital Territory and in South Australia, the Scheme will commence:
- (a) on the date provided for in the Minister's notice in relation to the Scheme, if a date is provided; or
 - (b) on the first day two months after the day on which notice was given, in any other case.
- 6.3 The Scheme will be in force in New South Wales for a period of five years from the date of its commencement in New South Wales.
- 6.4 For any other jurisdiction, the Scheme will be in force for whichever of the following periods ends first:
- (a) five years from the date of commencement in the applicable jurisdiction; or
 - (b) five years from the date of commencement in New South Wales.
- 6.5 Clauses 6.3 and 6.4 are subject to the provisions of each jurisdiction applicable to the revocation, extension or cessation of Schemes.

6. A similar procedure is to apply to all other District Court venues but the arraignment day will vary from venue to venue. Practitioners should ascertain the relevant day which is nominated by the list judge or resident judge.
7. The magistrate may order a sentencing assessment report where appropriate. Practitioners should address this issue in the Local Court where possible as this allows the report to be prepared at an earlier date.

Entering a plea

8. The offender must be present on the day fixed for the arraignment either in person or by way of audio visual link.
9. Upon presentment of the indictment, the offender will be arraigned by the court and shall enter his or her plea.

Listing for sentence

11. Upon a guilty plea being entered to some or all of the charges on the indictment and a signed statement of agreed facts being tendered, the matter will be listed for sentence hearing. The matter will not be listed for sentence hearing without a signed statement of agreed facts.
12. If the facts are not agreed, the matter will be listed for further mention in three weeks and, unless the court otherwise orders, the standard directions that are to apply are:
 - (a) The prosecution is to serve on the offender, within one week, a statement of proposed facts;

 - (c) The prosecution is to serve on the offender, within one week of receiving the response, a final version of proposed facts and witness availability.

At the subsequent mention the matter will be listed for sentence hearing. The disputed facts will be determined in the single hearing, unless the court otherwise orders.

13. When the matter is listed for sentence hearing, the prosecutor and the legal representatives for the offender are to provide the court with:

- (b) The offender is to file and serve any documentary material, including expert reports, to be relied upon on at sentence no later than seven days prior to the sentence date.
- (c) The prosecution and the offender are to file and serve any further documents they rely on and an outline of submissions no later than three days prior to the sentence date.

Sentence

15. By the date fixed for the sentence hearing, the matter must be ready to proceed. If there is an unavoidable problem or change to the conduct or the length of the sentence hearing, the parties are to notify at the earliest possible stage the list judge or resident judge at venues other than Sydney, and for Sydney sentences the Criminal Listing Director.

Non-compliance with the court's directions

16. If it appears to the court that a party has not complied with this Practice Note or with any other direction made by the court, the court may contact the offending party directly or list the matter for mention, either on the court's own initiative or at the request of either party.

17. Without limiting the court's power otherwise to deal with a failure to comply with a direction, the court may order the offending party to file an affidavit, or give evidence in court, explaining the failure to comply.
