New South Wales

**Number 175–Parliament, Ministerial, Courts and Police

The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It also contains local council, non-government and other notices.

Each notice in the Government Gazette has a unique reference number that appears in parentheses at the end of the notice and can be used as a reference for that notice (for example, (n2019-14)).

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW legislation website (www.legislation.nsw.gov.au) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.

Minister for Finance
Minister for Employee Relations
Vice-President of the Executive Council
Leader of the Government in the Legislative Council

Direction under section 7 of the State Insurance and Care Governance Act 2015

In my capacity as the NSW Minister responsible for the *State Insurance and Care Governance Act 2015* and after reviewing the response from the Insurance and Care NSW Board, I formally direct that the Nominal Insurer premium filing for the financial year 2022/23 be limited to an average increase of 2.9 per cent.

This direction is made in the public interest to ensure the short term affordability of workers compensation by moderating the increase in premiums in 2022/23. In particular consideration has been given to the current impact on NSW businesses arising from two years of the COVID-19 pandemic and recent natural disasters such as the NSW East Coast floods.

Once the community has had time to recover from these significant events the affordability of premiums can be further considered. I encourage the Board to continue its focus on improving the financial performance of the Nominal Insurer.

The Hon. Damien Tudehope MLC
Minister for Finance
Minister for Employee Relations
Vice-President of the Executive Council
Leader of the Government in the Legislative Council
